We will play **white** tees. **Gold tee eligibility: age + handicap greater than 99.** Let's say your handicap is 8 from the white tees at Jackson—you will receive an allotment of 70 (par) plus 8 (your handicap) for a total of 78 strokes. You play the course normally and when you hit your 78th shot your round is over. You then place your "tombstone" [= flag with your name] in the ground where that shot came to rest. If you hole out with your final shot, place the flag on the next tee box.

The person who makes it the farthest around the course will be declared champion. If you play well you may make it all the way around 18 and literally tee off again until your strokes are used up. Playing not so well—you will be done on the back nine somewhere. This is a fun and different competition—don't miss out!
