Dear Lee Jones and Jackson Park Men's Golf Club,

Thank you for your support of Rotary First Harvest by planning and running the Jackson Park Golf Tournament to benefit. The day was beautiful and everyone who participated seemed to have a great time. We appreciate your generosity with your time and facility to host this event!

Your contribution of the tournament proceeds of \$2,500 helped us secure many additional servings of healthy produce for families and individuals living in poverty. Through your generosity in bidding and donating, we raised funds to help find, secure and deliver millions of pounds of surplus produce every year to our food bank partners around the state for hunger relief and food waste reduction.

Thank you again for your generous support and your efforts to make this event happen. We cannot do what we do for vulnerable people in our community without the dedicated support of people like you. We are honored to serve those in need on your behalf.

Sincerely,
